ALL BIDDERS PLEASE READ

Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. You must be satisfied. **PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in () are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Auction Sales Are Conducted in the Following

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. Bids you send in are the maximum you are willing to pay for the coin. **WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins each month. Whenever this happens, we want it called to our attention to help prevent future errors.

The coins will be on display the day of the sale at our offices and can be seen by appointment any day prior to the sale.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

Any coins may be inspected prior to the sale, collector to pay postage and insurance both ways.

**YOU WILL WANT A PRICE LIST OF THIS SALE
TO KNOW WHAT COINS ARE BRINGING
PRICE LIST OF SALE \$1.00**

IS THIS YOUR FIRST AUCTION CATALOG?

Proof coins, branch mints 1812-1934 unc., currency and commemoratives seem to be rising the most rapidly at present with most bringing close to listed values and a great number bringing even more. Many are rising from month to month with a number "just not obtainable." The coins most in demand will have the greatest number of bidders and with the law of supply and demand working, these coins keep setting new records.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these coins come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand, at the time of the publication. **The estimated prices are entered only after careful examination of the results obtained in our past sales which reflect the actual and not theoretical value. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, ETC. ARE ESTIMATED AT CATALOG.)** In the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.25. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing for more than we believe it is worth or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. Coin collecting is a personal hobby which makes life a little more pleasant. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them as well as any compliments.

**YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING THESE
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION.**

BARGAINS GALORE

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots," yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN

SPECIAL DEFERRED PAYMENT PLAN

So that you will not miss this unusual auction sale, we will help you spread the payment for the lots you may succeed in buying. If you have not already established credit with us, send in two adequate credit references before the time of the sale. Indicate on your bid sheet that you wish to take advantage of our Deferred Payment Plan. Upon receipt of the lots on which your bids were successful, send in 50 per cent of the amount due IMMEDIATELY, 25 per cent within thirty days, and the remaining 25 per cent within sixty days from date of the sale. In this way you will have the opportunity to buy at "cash" auction prices, yet pay over a convenient period.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the **bid sheet**. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

1870-75 CALIFORNIA NATIONAL GOLD BANK NOTES

Issued in a ratio of 1 to 1500 regular National bank notes. ALL RARE with only two or three known uncirculated or nearly so. What few do exist are in poor to fair condition with only a few exceptions in good to fine. GREATLY UNDERVALUED IN KEEPING WITH THEIR TRUE RARITY. A leading collector recently informed us that he paid a minimum of 10 times face for any national gold bank note over 10 years ago. Just as soon as the true rarity of these notes are recognized, we believe they will show a spectacular advance in value. ALL HAVE GOLD COINS PICTURED ON REVERSE.

SET \$4 STELLAS

1122. SET FOUR STELLAS; 1879 COILED AND FLOWING HAIR, BRILLIANT PROOFS. Upon weighing them we have tentatively attributed them as AW-1576-79-1631-34 (copper) with gold plating. We noted the 1880 flowing hair in gold priced at \$2,500.00 at the recent A.N.A. Convention. The 1879 coiled hair and 1880 coiled hair are both much rarer than the 1880 flowing hair while the "common" 1879 flowing hair (which now catalogs \$800.00) brings close to \$1,000.00. If we had the above set in gold in our stock in choice condition as these are, we would price the set at \$10,000.00. THIS IS THE ONLY COMPLETE SET TO APPEAR IN ALL OUR 187 SALES. What this set will bring, your guess is as good as ours. Regardless of its rarity, this beautiful set will be sold to the highest bidder.

- 1123. 1879 Flowing Hair in gold, BRILLIANT PROOF. VERY RARE. Setting new records.** When the coin cataloged \$650.00 in the last guidebook, choice proofs were bringing close to \$1,000.00; now that the new guidebook catalogs it at \$800.00 (conservatively behind the market as usual) we would not be surprised to see this GEM bring over \$1,000.00. This is an excellent example of a true "bargain." Judging from the strong demand and small supply, this rarity will bring \$1,500.00 in the next few years. However, the coin which can be bought at a substantial discount from 'catalog' usually rises very slowly, and what may appear to be a "bargain" at first glance usually proves to be a false one in a few years.

CONFEDERATE SEAL

- | | | |
|-------|--|--------|
| 1550. | The great Confederate Seal was executed in England (beautiful engraving) and delivered to the Confederacy early in the war. CSA Secretary of State, J. B. Benjamin, lost the great seal in the rush to leave Richmond in 1865. Undoubtedly the seal was very heavy, and the Yankee troops were close behind. The seal has not been seen since April, 1865. This is an old bronze obverse shell taken from the wax impression. VERY RARE. The only item of this nature to appear in all our 187 sales | 100.00 |

CHOICE LIBERTY HEAD HALVES

Greatly undervalued. We believe this series in uncirculated condition represents one of the best investments of the entire U. S. series. Just compare today's prices with those of two years ago—then check and see how few choice specimens are offered for sale. We cannot help but believe that the spectacular advance in values will continue, making present day prices appear as "bargains" in the near future.

LIBERTY WALKING HALVES, CHOICE SET

EARLY DIMES

Steadily advancing in value. Compare the new catalog prices with those of last year and the year before.

2099.	TYPE I, 15 STARS OBVERSE, SMALL EAGLE 1796 4 berry reverse (much scarcer than 5 berry) extremely fine, tiny edge nick. SCARCE. Worth \$200 unc.; this one worth.....	150.00
--------------	---	---------------

EARLY DIMES—Continued

2100.	TYPE II, 16 STARS OBVERSE 1797 very fine except a few minor abrasions. V.f. worth	175.00
2101.	TYPE III, 13 STARS (the idea of adding a new star for each new state was abandoned as impractical and the number of stars was set at 13) 1797 very good. RARE. Greatly undervalued in keeping with its true rarity	85.00
2102.	TYPE IV, LARGE HERALDIC EAGLE 1798 over 97, 16 star reverse, very fine and sharp. SCARCE	90.00

2103. 1798 OVER 97, 13 star reverse, very fine. AN OUTSTANDING RARITY. The standard catalog does not even price it but merely states "Ex. rare." We believe it to be at least as rare as the 1894-S dime of which only 24 were struck and which is listed in the Guidebook at \$2250.00. While we doubt if this rarity will bring that price for the present, we do believe it should bring in the neighborhood of\$1,000.00

NEW 1955 GUIDE BOOK OF UNITED STATES COINS

A MUST for every collector of United States coins. Hundreds of price changes upwards — some over 200 per cent. Coins seem to now be advancing more rapidly than at any time previously with monthly rises in commemorative gold and silver, Liberty Head dimes, quarters and halves; Liberty Walking halves, and rarities in uncirculated condition. Dealers, who study the market, are in many instances paying more for coins than collectors who buy "now and then." We believe every collector should carefully study the valuations in the new Guidebook as well as dealers' buying ads before bidding. It is now truly a case of "he who hesitates will pay more later." Don't take our word for it—study the price lists of realized prices of auctions during the last three or four months. We can only reveal market trends—whether you use the information is up to you. CHECK THE BACK OF THE BID SHEET FOR THE 1955 GUIDE BOOK. A BARGAIN AT ONLY \$1.75.

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You In Mind. If you have any suggestions, complaints, compliments (yes we receive some now and then) we want to hear them. Having cataloged over one hundred eighty-five successful coin auctions, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know it all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 6c airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

WANT LISTS FILLED

We now have available one of the finest stocks of United States coins and currency in existence today. Whether you need an outstanding rarity or the "graden variety," we are prepared to fill your want list. THE TOUGHER THE BETTER.
